$400/hr. Teamwork Plan

Having a rough day? Need someone to muscle you through it? This is the plan for you. Pay by the hour. Tailor the service to your needs. Our coaches are available day and night. There is no job to big or too small. A live person will meet with you and guide you through those tough times!

$1500 A+ Teamwork Plan

This plan gives you unlimited access to a coach for an entire day. This will allow a coach to see you performing your day-to-day activities and gives them the perfect opportunity to improve you life in ways you never imagined. Afraid you wedding will go wrong? Scared you will flunk out of school during finals week? You will never fear while on this plan!

Me + You = Success.
You can have it too.

$10,000 Ultimate Plan

Having a rough century? Need some serious rehaul of that trash dump you call a life? You know you do. This plan is the answer. Have Eric as your personal life coach for an entire month. Have him evaluate your life to the littlest detail and give you a makeover you could only dream of. Want to be rich? No problem. Want to be famous? No problem. Want to find love? No problem! Anything is possible with Eric by your side! This plan will provide you everything you ever wanted and if Eric fails to show you a complete life change in one month, you will get a month free. It is just that simple.

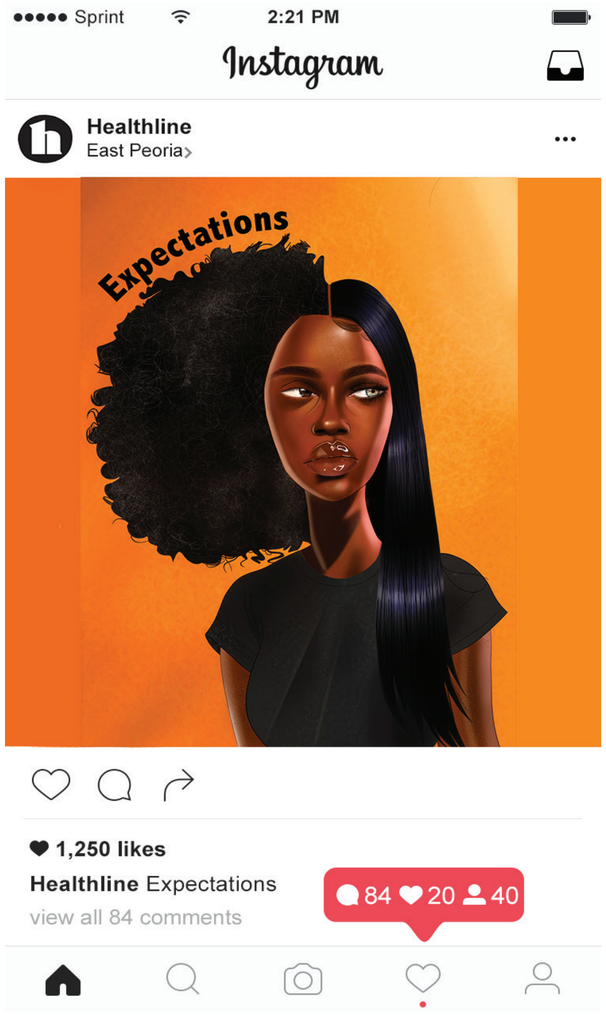

Finding the right coach for you.

Just like hiring any professional, you should do some homework and shop around before choosing a life coach. Since it's someone you'll be working with closely, and probably revealing a lot of personal information to, it's key to look for someone with whom you feel at ease.

As with any relationship, it is important for coach and client to 'click' interpersonally. You need to be very comfortable with your coach's personality and communication style from that meeting and you will too.

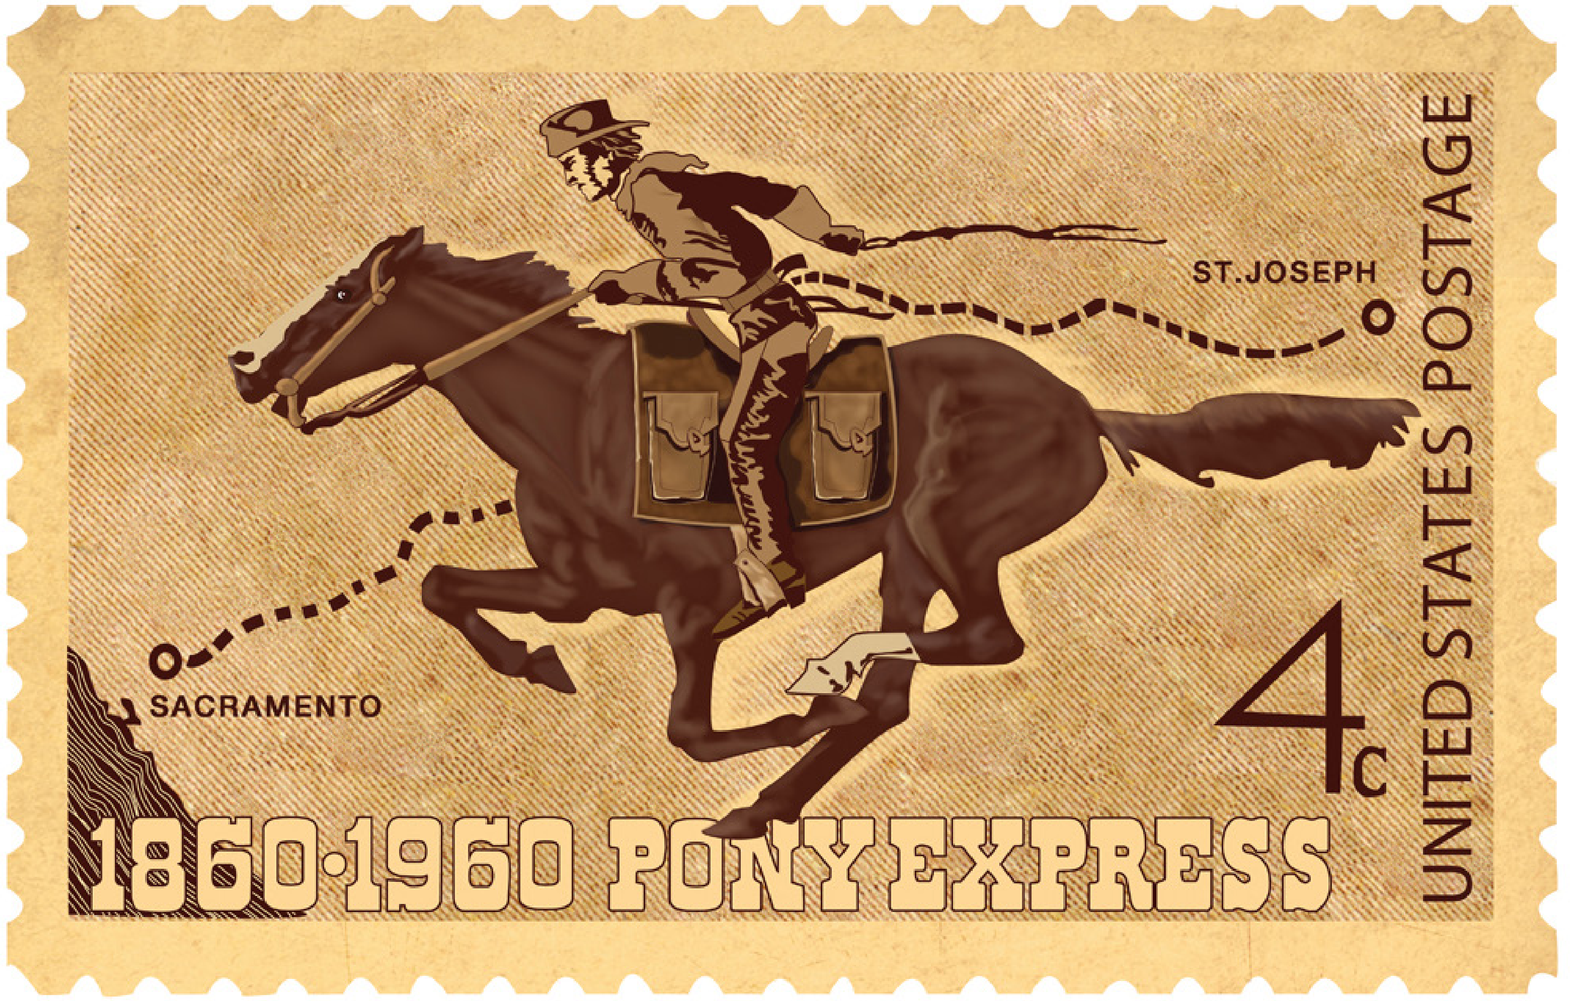

The best way to find out which coach is best for you is to ask for a sample session and then use that time to get coached on a real problem. Trust yourself. Remember that you get out of the coaching experience what you put into it, so hire a coach when you're ready to make changes, and devote your attention to doing the work. A coach can be a powerful asset, but they will work in a partnership with you, and you determine where you want that to go.

About 1 out of every 8 women has postpartum depression after delivery. It is the most common complication among women who have just had a baby. Postpartum depression is a serious medical condition. It is not something a woman can control. It is not a sign of being a bad mother. It poses risks for the woman and her baby. Changes in the woman's hormones after delivery probably cause postpartum depression. Women who have been depressed before are at increased risk for postpartum depression. It's usually best for a team of health care professionals to work with a woman who has postpartum depression. Team members include

COMING UP WITH AN IDEA!
IDEAS
FIGURE OUT WHAT KIND OF STORY YOU WANT TO WRITE. THERE ARE A MILLION PEOPLE WITH "IDEAS" TO MAKE COMICS AND YOU'VE PROBABLY GOT A MILLION OF YOUR OWN.
A STORY MUST HAVE CHARACTERS AND THERE MUST BE SOME KIND OF CONFLICT. IF IT HELPS, TYPE UP AN OUTLINE OF THE MAJOR PLOT POINTS THAT WILL OCCUR WITHIN THE STORY.
ONCE YOU HAVE THOSE DOWN, IT WILL BE EASIER TO CONNECT EACH WITH THE MINOR STORYLINE.
PICK A FORMAT! 2
ISSUES ARE THE TRADITIONAL FORMAT WE ARE FAMILIAR WITH. USUALLY 20 PAGES, THIS OPTION IS PERFECT FOR LONGER STORIES WITH A LOT TO SAY.
WITH WEB COMICS, YOU ARE ABLE TO UPLOAD AND PUBLISH YOUR COMICS FOR FREE AND PEOPLE CAN VIEW THEM CHEAPLY AND QUICKLY.
